Ms. Grace Yaaba Edziyie
Head of School
Legacy Girls' College
Akuse, Eastern Region

Dear Ms. Edziyie and Selection Committee,

I am writing to express my interest in the Psychology Teacher position at Legacy Girls' College. Your institution's great mission to nurture young women into "ethical and dynamic leaders," grounded in the core values of Integrity, Responsibility, Excellence, Ambition, and Determination ("I READ"), is something I find intriguing. This is something I am eager to contribute to.

I hold a B.Sc. in Psychology and am currently pursuing an M.Phil. in Measurement and Evaluation at the University of Cape Coast, where I lecture and support undergraduate students. I was recently appointed to the Research and Publication Committee of the School of Graduate Studies, a role that allows me to assist graduate students in navigating their research journeys. My experience also includes pre- and post-test psychological counselling and active mentoring.

In addition to teaching, I have taken part in capacity-building programmes such as the Springboard Conference (developing the next generation of mentors) and Young and Wise (training peer counsellors). I also lead PsycheShare, a platform that educates the public on mental health and psychology.

I am excited by the possibility of contributing to Legacy's next chapter, especially as you celebrate your 10-year milestone and continue to inspire future women leaders. I welcome the opportunity to discuss how I can help your students leave an enduring legacy.

Thank you for considering my application. I have attached my CV and other supporting documents, and I look forward to the possibility of working with the Legacy family.

Warm regards,
Redeemer Gbewordoh
